

# DECO-D STAINLESS STEEL BLANK

## D31H 20M-3/4" BLANK STAINLESS STEEL-316

Deco hose reel

The Saval Deco-D SST Blank fire hose reel with its circular shaped solid discs offers maximum recognition and good protection of the fire hose. With the Deco fire hose reels, Saval proves that top quality and design go hand in hand. The Deco-D stainless steel hose reel can also be placed in a Saval flush mounted hose reel cabinet or a Saval surface mounted hose reel cabinet.

The Saval Deco-D Stainless steel Blank is available in various versions with variations in hose length and the diameter of the nozzle.

- Extra durable quality with stainless steel.
- 3 separated bearing surfaces provide free, easy rotation.
- Rotating water connection made from high-quality synthetic material.
- No heavy weight on the water supply, so almost no chance of water leakage.
- Completely in accordance with NEN-EN 694.
